

## **Humanities in Medicine – PIMS, Pondicherry**

### **Course contents**

Even before the At-Com and AETCOM modules were introduced by MCI in the undergraduate medical curriculum, the programme of 'Humanities in Medicine' was started in PIMS, realizing the intense need of training related to ethics, attitude and communication skills for medical graduates. The program was formally started in January 2015 in PIMS.

#### **Objective of the course:**

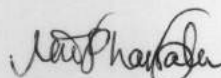

Inculcating love for the following elements in the students of PIMS

- a. Art of healing
- b. Ethical medicine
- c. Humanitarian medicine

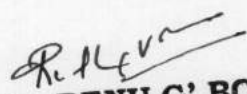

#### **Overall course contents:**

##### **Two hour session on following topics**

1. Communication skills in various aspects of doctor-patient relationship – Role plays
2. Communication skills in various aspects for doctor-healthcare members – Role plays
